October Meeting

With an unexpected last minute change to our meeting location, Pa Pa Bears Restaurant had a very good turnout for October's meeting. It began with Dr. Jeff Fedorko as our speaker helping us get prepared for the upcoming riding season. From exercises and stretches to vitamins, there were many good helpful hints to get everyone headed towards a healthy seasons start. The plan is to continue to meet at this location through this year and hope things work out well, so keep in touch and watch our newsletters and web site for any change that we may need to make.

Jim gave us information for this year's Christmas Dinner plans. It will be at the 356th Fighter Squadron, December 18th. Starting with a 5:00 Happy Hour, then dinner being served at 6:00 the price is \$25 per person. It will be a buffet and you will need to R.S.V.P. to either Jim Stalder or Mary Nettle by December 12th. Plan or call early to help avoid extra charges in the event we do not reach 30 people. They are also asking, as you R.S.V.P., to send your money to Jim Stalder (7617 Arlington NW, Massillon, Ohio 44646) ahead of time to save collecting money that evening. There is an open bar and again a gift exchange with a \$10 limit along with the possible, unusual and fun twist to it.

Bill announced for our November meeting that he will have a speaker from the O.S.S.A. come pay us a visit. As in the past, we have had officers from O.S.S.A. join in on meetings and they always bring lots of beneficial information. Along with doing their best to answer any questions they are always ready to listen to suggestions and ideas to serve all clubs in a better way.

The Swap Meet is just around the corner also, this weekend Saturday October 29 from 9:00 to 3:00 pm. at Bairs Inc., 6956 Portage St. NW, Canton Ohio. Come on out and take a look at what will be there for us to enjoy. Whether you are looking to purchase equipment, a new sled or just interested in seeing some vintage machines, this will be the place to be Saturday morning. Andy is preparing this event along with a few sleds of his own to put on display and did ask if anyone had any free time that morning he could use a little more help during the event. You will also be able to purchase raffle tickets supporting the O.S.S.A. getting the chance to win a brand new Artic Cat snow pro 120 or a cash option of \$2,000 along with 8 other great prizes. Tickets are \$5.00 a piece or 3 for \$10.00 and the drawing will be at the Ride-In this January. Available too will be our decals of the Flying Tigers for purchase. Two sizes available for your sleds, trailers or trucks, so get several and be the first to put them on display.
